

Bone Fracture Detection Using Medical Images

Abstract

(Write your abstract here...)

Introduction

(Add introduction content here...)

Problem Statement

(Add problem statement here...)

Objectives

Literature Review

(Add literature review here...)

Methodology

(Add methodology description: dataset, preprocessing, model, training, evaluation...)

System Architecture

(Describe architecture here...)

Implementation

(Add implementation details here...)

Results

(Add results, accuracy, graphs if needed...)

Conclusion

(Add conclusion here...)

References

(Add references...)
